To Hope,

I must tell you all about my cat. She likes to sniff lots of things like traffic cones, holes in the road and my toes!

Mum said that there was an odd smell. The cat went to sniff around my home. She smelt under the stove. She smelt my globe. She smelt Mum's phone. She smelt the stones in the back yard. Then, she found the odd smell. It was a fish bone!

We let her eat fish for a week.  
What a smart cat she is!
