

Field Place Infant School

Year 1

Home Learning newsletter

W.C: 20.4.2020

Hello! We all hope you had a great Easter and didn't eat too much chocolate! We will be returning to our online learning on Monday using IXL and Purple Mash. Please login to these sites to find what activities we would like your child to complete or see below for the IXL activities. There will also be the Home Learning grid which has lots of nice activities linked with other areas of the curriculum. You can find this on the school website.

Here are the IXL activities for next week with a link to support the learning in this area...

English	Maths
Day 1: N1 - https://www.roythezebra.com/reading-games/capital-letter-beginner-1.html	Day 1: D7 - https://www.primarygames.co.uk/pg2/splat/splatsq100.html
Day 2: L1 - https://www.bbc.co.uk/bitesize/topics/z8x6cj6/articles/zcm3qhv	Day 2: D8 - https://www.ictgames.com/mobilePage/countingCars/index.html
Day 3: L3 - https://www.bbc.co.uk/games/embed/small-town-superheroes?exitGameUrl=http%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2FzncqvK7 https://www.youtube.com/watch?v=r4QZG71z96o	Day 3: D9 - https://www.topmarks.co.uk/learning-to-count/helicopter-rescue
Day 4: L4 - https://www.ictgames.com/mobilePage/sentenceSub/index.html	Day 4: W6 - https://apps.mathlearningcenter.org/geoboard/
Day 5: D2 - https://www.youtube.com/watch?v=9S7DY2lqJlU https://www.roomrecess.com/mobile/SyllableSlurp/play.html https://www.roomrecess.com/games/HoppySyllableHunter/play.html	Day 5: F7 - https://www.youtube.com/watch?v=Frati8iGQcs https://www.ictgames.com/mobilePage/whackAMole/index.html

Here are some other activities to support your child's English and Maths learning...

English...

Please watch the 30 minutes live stream **phonics** session that you were sent.

Set 1 sounds - 9:30-10:00 repeated at 12:30-1:00

Set 2 sounds - 10:00-10:30 repeated at 1:00-1:30

Set 3 sounds - 10:30-11:00 repeated at 1:30-2:00

We have spent lots of time this year building your child's **reading** skills and confidence and it's really important that they continue to practise these everyday so they don't forget it! The Oxford Owl website have put on a range of free reading books using the same colour bands as we use in school. Please read one of these books each day! https://www.oxfordowl.co.uk/library-page?view=image&query=&type=book&age_group=&level=&level_select=&book_type=&series=Oxford+Reading+Tree

Recount activity

Watch <https://www.youtube.com/watch?v=ReOpCqUZu9w> to find out about recounts. Think about something you did over the holidays or something you have done in the past that you found really exciting or interesting. It could be about finding out you couldn't go to school for a while!

Draw what happened. It could be one picture, a timeline or like a story map. You could add some words or phrases that you think would be good to use in your recount.

Using your pictures, write your recount. Don't forget to tell us what happened, when it happened and how you felt. You also need to write in the past tense. When you have finished, read it through to check it makes sense. Have you remembered your capital letters, full stops and maybe even some exclamation marks?

Your teacher would love to see your recount so please take a photo and email it over.

Miss Greco and Mrs Holmes - maggie@fieldplace.org.uk

Mrs McGillivray - badger@fieldplace.org.uk

Miss Weeks - squirrel@fieldplace.org.uk

Miss Purrier - mouse@fieldplace.org.uk

Miss Turner - dolphin@fieldplace.org.uk

Maths...

We have covered lots of different skills in maths this year. The following site has uploaded some great videos to revise and extend your child's maths learning. Each video starts with a 'Flashback 4' which includes a range of questions on previous teaching. It then goes on to teach different concepts. By using these maths videos with your children, it ensures the correct language is being used to support their learning.

Have a look at **Summer Term, Week 1 of the Year 1** Home Learning section on this site...

<https://whiterosemaths.com/homelearning/year-1/>

There are 5 lessons to watch next week. You can practise these skills in your home learning book too!

If you're not sure of anything, please email your class teacher. You could also send a photo of the work you have done!

Weekly kindness challenge: Help someone at home make lunch or dinner for the rest of your family.
