

Home Learning Newsletter

Week beginning 20.4.2020

Hello Again!

We hope you all had a 'Hoppy Easter!' (sorry, couldn't resist) and, whether you've taken a break from the home learning or not, I hope you are feeling ready to tackle a new term together. From what we can see on IXL and from your emails, lots of you are getting stuck in to learning at home and having fun while you do it - which is how we like to do it in Reception, so keep it up! If you haven't already, please do email your class teacher just to touch base, ask for any advice or share what you've been doing at home - we are missing you all lots!

You might have noticed we've been using Numberblocks to support the children's maths learning this year. It's a really fun way to introduce new numbers and key maths concepts to the children. If you haven't already, then check out their webpage, it has links to episodes as well as interactive games to try and songs to learn!

<https://www.bbc.co.uk/cbeebies/shows/numberblocks>

On a side note – the episode for 11 isn't appearing on iPlayer so try YouTube.

In Summer Term we begin exploring numbers to 20 and at school we'd start by introducing each number using the Numberblocks episodes. You can do this at home by heading to the iPlayer section of the Cbeebies website and looking for the episodes titled as numbers 11-20.

Search: **YouTube**
Teen Numbers in the Air

If your child finds it hard to recognise those teen numbers, then there's a handy (slightly dated) YouTube video about how each teen number looks! It's fun and interactive.

Alternatively, **Numberblocks** is on TV on Cbeebies weekdays at **6.55am** and **1.15pm** (they're different episodes so you could even watch both). We also recommend: **Maddie's Do You Know** at **4.20pm** (weekdays) and **2.35pm** (weekends) and **What's the Big Idea** at **1.40pm** (weekdays).

IXL	Mon	Tues	Wed	Thurs	Fri
Lit	F1	F2	F3	F4	F5
Maths	I1	I2	I3	I4	I5

★ Don't forget to check your recommended tasks too!

We can't wait to start receiving your emails again and hear what you got up to over Easter. We love to read your messages and see your pictures, it really does make our day! Find our email addresses below.
