# Home Learning newsletter

## W.C: 11.5.2020

Hello! We've seen and heard about some great things children have been doing at home! We also know that as the weeks are going on, everyone is missing their family and friends even more. Please have a look at the 'Inclusion and Wellbeing' section on our website to find ideas to help support everyone's mental health ...

<https://www.fieldplaceinfantschool.org.uk/page/?title=Inclusion+and+Wellbeing&pid=130>

It's really important to put aside some time to talk about how you are all feeling and to re-assure your child that it's okay to be sad sometimes. A lovely story to support this is 'The Colour Monster' <https://www.youtube.com/watch?v=Ih0iu80u04Y&t=301s> After the story, it gives you some ideas of some open discussions you can have. Another good story is 'Lucy's in lockdown' <https://www.lucysblueday.com/product-page/lucy-s-in-lockdown>. This story is free after clicking on 'add to cart'.

Please continue to email your class teacher weekly and we will do everything we can to support you in this home learning experience!

Please ensure you continue to do this **weekly** as we are here to help support you during this home learning experience.
