

Field Place Infant School

Year 1 and 2

Half Term newsletter

W.C: 25.5.2020

You made it! A whole half term of home learning has finished, and we want to say a HUGE thank you and well done for everyone's effort. We have loved hearing from you and seeing all the lovely photographs of what you been doing at home. We understand how hard this time is, but we want you to know you've done an amazing job! There are no 'learning' expectations for this week coming, we just want you to enjoy time together as a family and relax as much as possible.

Enjoy your week off and we look forward to communicating with you again after the week's break!

Happy half term!

Below are some fun activities you could do as a family if you get a bit bored but they are completely optional! Have fun...

Make a dream catcher

Cut a hole in the middle of a paper plate and hole punch the inner circle. Thread string through the holes and across the middle. Decorate and hang string from the bottom. You could attach anything like leaves or real feathers.

Make a paper plate fan

Cut a paper plate in half and decorate. Then attach 2 lolly sticks to make a handle. This would be perfect in the hot weather!

Make leaf bugs

Children to collect leaves and turn them into bugs by painting them.

Bird spotting

Go outdoors and see which of these birds you can spot...

West Sussex E-library

Have a look at <https://www.westsussex.gov.uk/libraries/elibrary-electronic-library/> to find out how to use your library card to read different e-books!

Check out this website to see what different animals around the world have been doing during lockdown... <https://www.countryliving.com/uk/wildlife/countryside/g31784857/live-animal-webcam-zoo/>

Weekly kindness challenge: Spend time together, doing lots of lovely things.
