

# Home Learning Newsletter

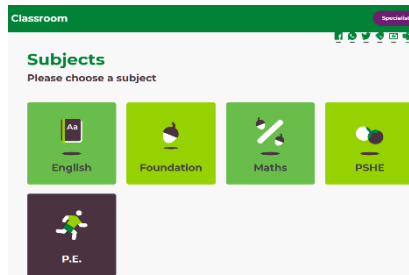

Week beginning 1.6.2020

## Welcome Back!

Did you all have a fun half term? The weather couldn't have been better, so I hope you got out in the sun whenever you could. We are looking forward to seeing some of you on Tuesday and hope you are feeling good about the return to school - I know I'm looking forward to being back with the children again. If you are continuing to learn from home then please look out for our new home learning grid and continue to access the IXL, Read Write Inc Phonics and any other resources you have been enjoying. The teachers will continue to support you all via email. We love to keep up with what you've been learning at home and we will use email to inform you of how things are going in the classroom too.

**Home Learning Tip:** It is important children are truly confident with each stage of learning before moving on to the next. Try asking - "how do you know?" Or "why do you think that?" to open discussions and support deeper learning.

### Oak National Academy

If you are looking for a way to change or freshen up your learning routine and haven't yet tried Oak Academy, we strongly recommend you give it a go. There are now lessons for PSHE and PE as well as English, Maths and Foundation Subjects. The lessons are simple and engaging and follow themes for the week. They are delivered by real teachers and offer activities to try at home during or after the lesson.

**Reading:** Send us your pictures or videos of your child reading around your home, on the beach or in the park (if their face is hidden we can put photos on the website). We'd love to know how they're getting on with reading and if there's anything we can do to help them keep improving.

- Follow the link below for some ideas and games around early Numeracy. There's Numberblocks quizzes for the children and articles for parents. <https://www.bbc.co.uk/cbeebies/topics/numeracy>
- These two games offer some fun phonics practise, we use them in school so they might be familiar!  
Viking Full Circle- <https://www.ictgames.com/mobilePage/viking/index.html>  
Tell a T-Rex - <https://www.ictgames.com/mobilePage/tellATRex/index.html>

IXL	Mon	Tues	Wed	Thurs	Fri
Lit	I13	I14	I15	I16	I22
Maths	W4	W5	W6	W7	W8

Click on Y1 tab to the left of your screen.

This week's IXL is around shape and more phonics practise. Have Fun!

Please keep emailing with updates about home learning and if your child is in school then you can contact us with any questions or information this way too.
