

# Nursery

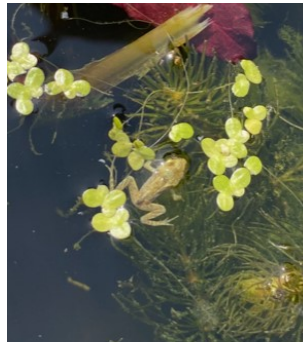

21.06.20

Hello everybody!

We hope that you are all keeping safe and well, and have managed to enjoy some of the sunshine.

Ayaan has been busy practising his pen grip and name writing. He has also been enjoying some imaginary play at home.

Amelia has been taking care of her tadpoles. They are now frogs and she has released them into her nan's pond!

Our next Rhyme Challenge is Round and Round the Garden. You can learn the Makaton signs for the rhyme [here](#).

## Home learning suggestions:

Make a special card for Father's day or for somebody special to you. What marks can you make inside for your message?

Use blocks or Duplo to create your own zoo. What animals will you have in your zoo? Can you draw them or make signs for your enclosures?

Use dry rice or lentils and recycled tubes to make your own musical instrument. Can you play it to the rhythm of your favourite song?

Use an old paintbrush and water to paint on the floor or fence outside. Can you draw a person? How about an animal?

Draw a picture for a friend or family member you haven't seen for a while. That will make them smile!

Take part in these fun [action songs](#).

Get busy in the kitchen and challenge yourself to follow these [recipes](#) using

Play a memory game with a grown up. Pick 5 toys and cover them with a sheet. Can you remember all of the toys? Can you say what is missing if the grown up takes one away? Try adding more toys for a challenge.

We have enjoyed receiving updates about what you have been doing at home, so please keep them coming! Email us at [nursery@fieldplace.org.uk](mailto:nursery@fieldplace.org.uk)
