

Single Equality Policy

This policy was reviewed in **Autumn 2018**

It will be reviewed again in **Autumn 2020**

Introduction:

As a result of the Equality Act 2010 this policy amalgamates all the equalities legislation into one Single Equality Policy for Field Place Infant School.

Statement/Principles:

The policy outlines the commitment of the staff and Governors at the school to promote equality. This involves tackling the barriers which could lead to unequal outcomes so that there is equality of access and the diversity within the school community is celebrated and valued.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. Equality is a key principle for treating all people the same irrespective of their gender, ethnicity, disability, religious beliefs/faith tradition, sexual orientation or gender reassignment, age or any other of the protected characteristics (Single Equalities Act 2010).

Monitoring and Review:

The staff member responsible for co-ordinating the monitoring and evaluation is Teresa Bourne. She will be responsible for:

- Providing updates on equalities legislation and the school's responsibilities in this regard;
- Working closely with the governor responsible for this area who is Chantelle Pendergast.
- Supporting positively the evaluation activities that monitor the impact and success of the policy on pupils from different groups, e.g SEN, Looked After Children, Minority Ethnic including Traveller and EAL pupils and economically disadvantaged pupils, in the following recommended areas:

Responsibility for the Policy

The Governing Body has responsibility for ensuring that the school complies with all equalities legislation relevant to the school community. It also must ensure the policy is maintained and updated regularly and that equality objectives are easily identifiable within the School Development Plan and available on the School's website.

The Governing Body will have an overview on all prejudice related incidents or incidents which are a breach of this policy and ensure that appropriate action is taken in relation to these incidents.

The Headteacher and Senior Leadership team has responsibility for providing leadership and vision in respect of equality. They will oversee the implementation of the equality policy and objectives and ensure that staff are aware of their responsibilities and are given relevant training and support.

All school staff have responsibility for the implementation of the school's equalities policy and schemes, dealing with incidents of discrimination and knowing how to identify and challenge bias and stereotyping. All staff must ensure they do not discriminate on grounds of ethnicity and culture, disability, sexual orientation or other groups vulnerable to discrimination.
