

# Welcome to Field Place Infant School Nursery

Hello! My name is Miss Laycock and I am going to be your new teacher at Nursery. I am really looking forward to playing and learning with you.

These are the other grown-ups who will be looking after you at Nursery.

Mrs Campbell

Mrs Cosgrave

You will have your own peg at nursery so that you can hang your coat and bag up.

Inside, we have carpet areas and tables for the toys that you choose to play with. Some of the toys that you can choose from are Happyland, trains, cars, dolls, Duplo, animals, puzzles and magnets.

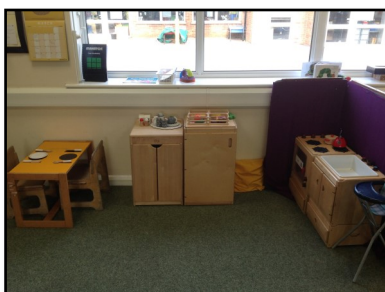

If you start to feel hungry when you are playing, you can come here for some fruit, milk or water.

This is our messy area, where you can play with water, paint pictures and do cutting and sticking.

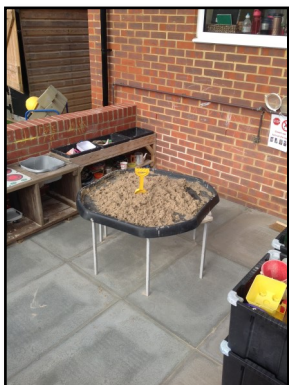

Choose a book and relax on the sofa in our book corner!

What will you cook in the home corner?

Outside you can choose to ride a scooter or a bike from our bike shed, or you can explore our big climbing frame and slide!

Outside we have a sand kitchen where you can make sand pies. We also have a big sand pit where you can dig for treasure or build a giant sandcastle!

What will you build with our large wooden blocks and planks? Can you build a house with the foam bricks?

This is the bathroom where you can go to use the toilet and wash your hands.

What are you looking forward to most?
