Year 1

Home Learning newsletter

W.C: 13.7.2020

WOW! We can't believe it is the last week of term already. All your teachers want you to know how hard you have worked over the past few months and how proud they are. It has been a strange end to the year but you have all done incredibly well. We want to send a huge thank-you out to all of you and your families for all the hard work, support and effort that you have put in this term.

As you go into your final week we want you to start thinking about what is important when it comes to meeting new children in your class. How should you act and behave? How might they feel? How might you feel? Here is a video called '[Colour your world with kindness](#)'. Talk to the people at home and see how you can use this in your new classroom next year or even over the holidays.

We want to wish you all an amazing summer holiday, enjoy yourselves, have fun and stay safe. We look forward to seeing you in September.

Don't forget to email us this week, as we are here to help support you during this home learning experience.
