

# Home Learning Newsletter

Week beginning  
13.7.2020

## Well Done Everyone!

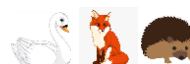

This is our last Reception Newsletter of the year. I would like to say a massive well done to each and every one of you! We have reached the end of a very different and challenging academic year, and I am so proud of how well the children have coped with all the changes thrown at them and I continue to be impressed by the efforts you've put in as 'parent-teachers'. This week in school we will be reflecting on how we have grown and changed this year and what we are looking forward to about year one. I urge you to do this at home and to reflect on the successes, and struggles, of lockdown learning. Perhaps look at photos on the 2simple profile from school, or look back in your home learning book or at your own photos. Take the time to celebrate because you've all achieved something special.

**Home Learning Tip:** Make sure you use the summer holidays as a break from the home-school or school routine - it is important to rest and regroup. However, it is always helpful for children's developing brains if you can continue to visit key skills every now and again: get your phonics cards out; play a maths game; write a postcard to a family friend; and read, read, read. No pressure, no expectations, just fit it in where you can.

**Thinking about Positive Transitions:** Hopefully you have all seen your new class teacher's video on the website by now. If you haven't then head over to check it out. Lark are moving to Fox, Wren to Hedgehog and Robins to Swan (unless you've been told otherwise).

### [Year 1 Teacher Videos](#)

As the we move through summer keep an eye on this page as we hope to share classroom photos, once they are set up.

We'd also like to say a fond farewell to Miss Johnson! We hope you'll join us in wishing her all the best in her new school and for the future. ☺

In Reception, every year we collect the children's work and ideas in a 'Big Book' which we send home in July. Due to lockdown restrictions we have not been able to complete these in the way we normally would. However, every child still has a collection of their work to bring home and we hope you can enjoy exploring your child's learning journey all the same. These are being sent home for the children in school and will be in the office to collect from Monday for those still at home.

IXL	Mon	Tues	Wed	Thurs	Fri
Lit	K2	K3	O2	O3	O4
Maths	R11	R13	X3	X4	X5

Click on Y1 tab to the left of your screen.

Don't forget to see what [Oak Academy](#) have on offer this week!

If you have any questions or concerns about transition, then please feel free to email us and we will answer questions if we can.  
Have a lovely summer and stay safe!
